College Pathway

College. On Your Terms.

Experience college designed to be flexible and fun. Earn transferable college credits, knock out prerequisites, and get ahead of the game on your path to a college degree.

“
LOVE LOVE LOVE. I've taken a lot of online courses over the years and Outlier blows them all away—in design, teachers, production, content, and facilitating learning. – Jacqueline W
”

A New Kind of Learning

Outlier.org (from the co-founder of MasterClass) has developed the world's best online, university-level courses, taught by some of the most exciting educators in the world. Each course is designed to be engaging, fun, and student-friendly, while also being rigorous to meet the standards of higher education.

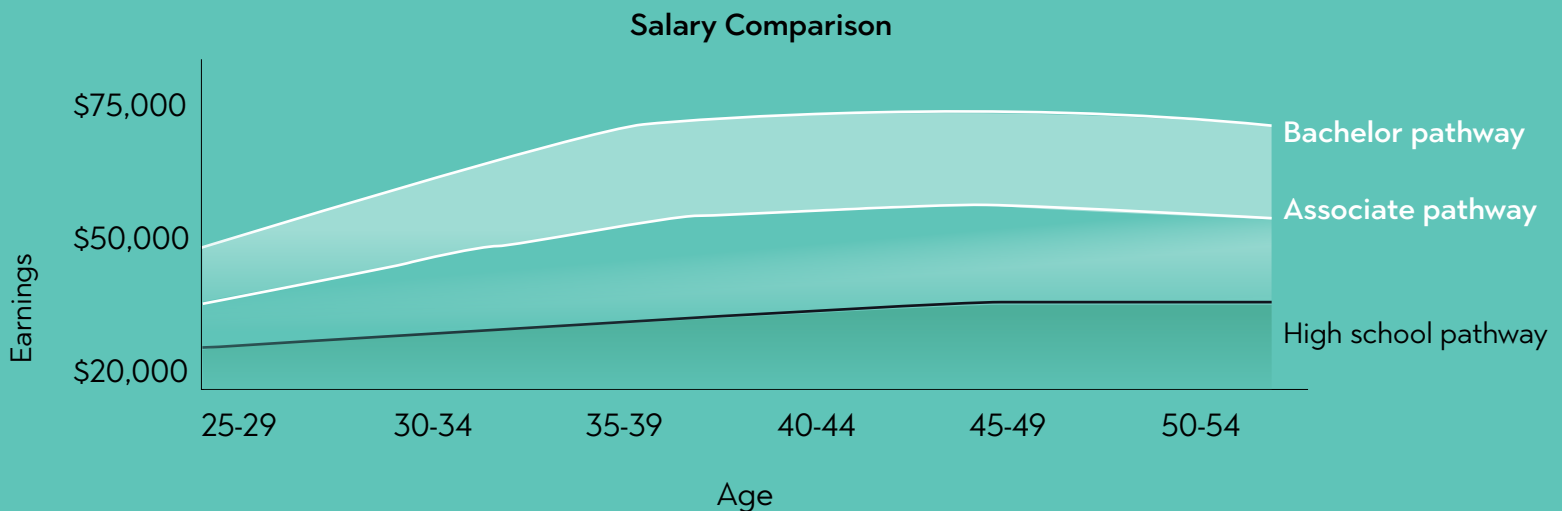

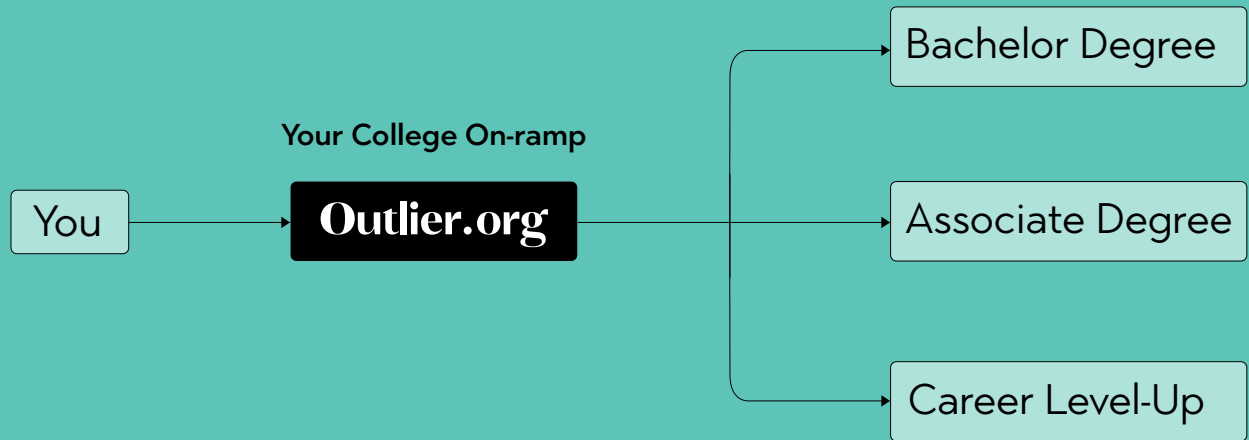

We created the College Pathway to help real people start (or restart) their path to a college degree. Choose 2 electives and 2 required courses – all unlike anything you've experienced before.

Let's get started.

“A Bachelor’s degree is worth \$2.8 million on average over a lifetime.”

“The data are clear: a college degree is key to economic opportunity, conferring substantially higher earnings on those with credentials than those without.”

Program Highlights

Best-in-class: Our courses are proving to match traditional, in-person college course success rates—unprecedented results in the world of for-credit online college education.

100% online: Experience cinematic on-demand video lectures & materials.

Designed for maximum flexibility: Learn on your own schedule, with lectures & course materials available 24/7, and weeklong exam windows.

Futuristic, evidence-based learning: Enjoy interactive tools built by game designers to maximize comprehension & retention.

World-class instructors: Learn from charismatic instructors hand-picked for their effective teaching ability.

Risk-free: Thanks to Amazon's Career Choice program, these courses are pre-paid for Amazon employees. The only things you'll need to provide are time, curiosity, and effort.

Outcomes

✓ **Earn a shareable College Pathway certificate** from Outlier.

✓ **Earn 12 transferable college credits** (3 per course) from the University of Pittsburgh, a top 50 global university.

✓ **Pathway to a degree.** Transfer your credits into a 2-or-4-year college towards a degree. ([Learn more about transferring credits here.](#))

“ I am loving both the great quality material, but also the platform and the way it's presented. It seems so intuitive, such a pleasure to use, and such a good way to learn. – Outlier Alumnus

Required Courses

Build your foundation with College Writing I and your choice of either Precalculus or College Algebra.

College Writing I

This reimagined College Writing course will teach you transferable skills to up-level your writing, including essays, social posts, business plans, resumes, and cover letters. You'll unpack each step of the writing process to develop a priceless "writing toolbox," to use wherever school—or life—takes you.

College Algebra OR Precalculus

Math courses that are not scary. Really. You'll never look at numbers the same way again. These immersive, easy to understand courses are perfect for knocking out a prerequisite, or as a gateway to math's more advanced realms. When you enroll, we'll help you choose the one that's right for you.

Need support? You're not alone.

Have questions?

• hello@outlier.org

See why students love Outlier. You'll enjoy the flexibility of self-directed learning as well as the benefits of the learning community we've built.

This sequence includes:

Free math tutoring

Need a hand? You'll have 24/7 access to real subject matter experts' help via email.

Office hours chat

You'll also have access to Outlier's subject matter experts through regular office hours in the cohort chat.

Dedicated Student Success team

Our dedicated Student Success team is available to assist you—and push you—to help you pass with flying colors.

Cohort chat

Each cohort includes a group chat for students to ask and answer questions, discuss the material, and network. We've seen heartwarming moments arise and friendships develop there.

Credit transfer assistance

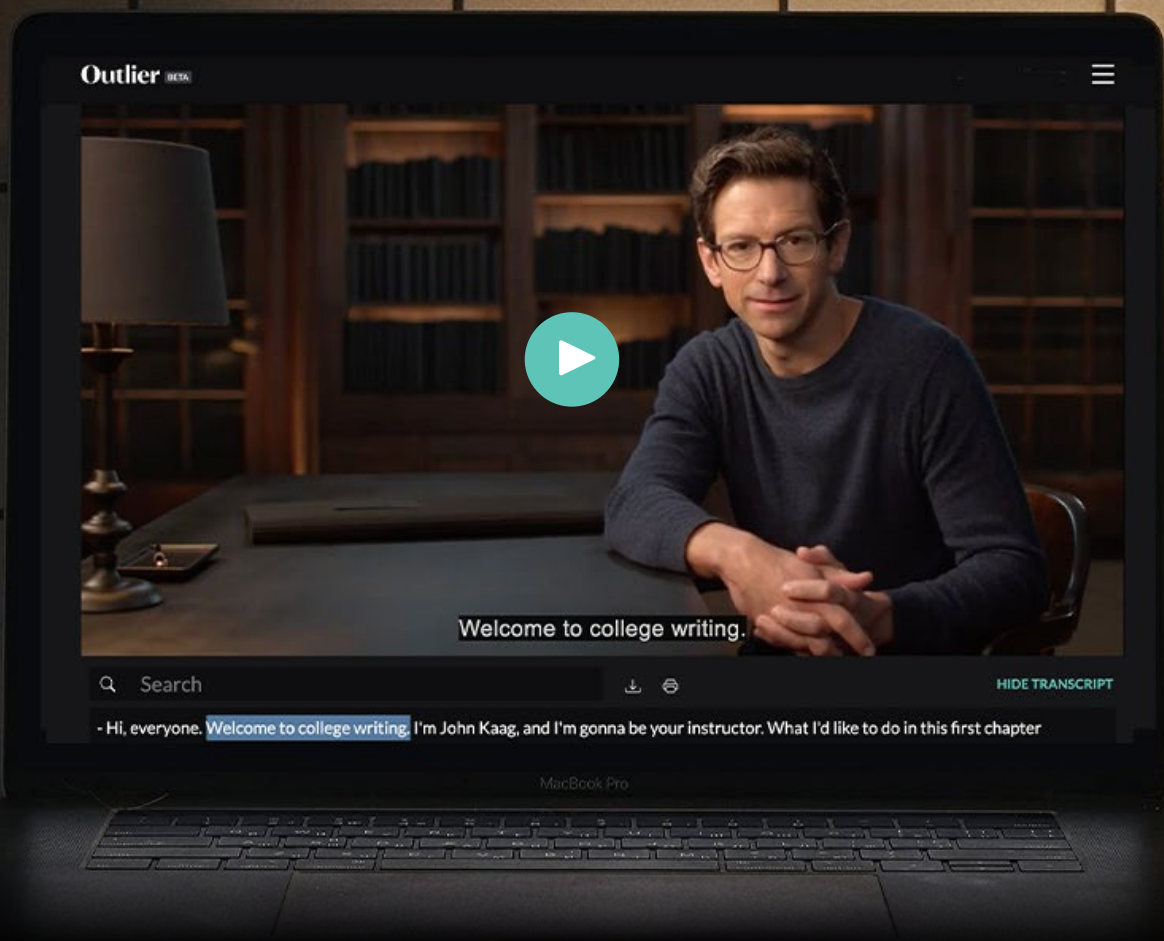

Our team can also help advise and advocate for students transferring Outlier course credits to another institution.

“ I had a wonderful experience with the community, the subject and with my peers. Outlier has an incredible support staff willing to help us with everything from answering queries to clearing subject doubts, and the course content is really engaging. – Katie A. ”

About Outlier

We are a group of people who have set out to create the world's best, for-credit, online courses and offer them at a fraction of the cost of what's currently available.

We are a passionate multidisciplinary team drawing from the worlds of education, technology, film, gaming, VR, and beyond. We tap respected subject matter experts to guide our course creation every step of the way.

Our mission is to increase access to higher education and reduce student debt.

What We Do

Bringing all these different backgrounds to the table, we've been hard at work developing the world's best online courses, taught by some of the most celebrated educators in the world.

So far, it's working: our courses are proving to match traditional in-person college course success rates—unprecedented results in the world of for-credit, online college education.
